

Students of evening schools need not attend school

Attention TV and radio duty announcers:

Please broadcast the following special announcement by the Education Bureau concerning schools and repeat it at suitable intervals:

As the Red Rainstorm Warning Signal is now in force, students of evening schools do not have to attend school tonight. Schools should keep their premises open and implement contingency measures to look after arriving students. Schools which are in session should continue until the end of school hours. They should ensure that conditions are safe before allowing students to return home.
