The EMSD administers the Mandatory Energy Efficiency Labelling Scheme in accordance with the Ordinance and selects samples of the listed models regularly for conducting compliance monitoring tests to check whether they conform with the energy efficiency and performance characteristics submitted to the EMSD. As the test results of the products concerned showed that they failed to reach the energy efficiency and/or performance characteristics submitted to the EMSD for assignment of reference numbers at the time, the EMSD has decided to remove these products from the record of listed models.

The EMSD has served notices under the Ordinance to the importers concerned. The importers have published newspaper notices respectively today

announcing the termination of the supply of their products concerned.

Members of the public can contact the above importers for enquiries.
