

## Special traffic arrangements for race meeting in Sha Tin

Police advise motorists that special traffic arrangements will be implemented in Sha Tin to facilitate the race meeting today (May 20).

The arrangements will come into effect two hours before the start of the first race and will last until the crowds have dispersed after the race meeting.

Appropriate traffic signs will be put up and police will be on hand to guide motorists.

The Police also appeal to people going to Sha Tin Racecourse for the race meeting and to Happy Valley Racecourse for cross betting to make maximum use of public transport.

Parking spaces at the two racecourses are available only to holders of appropriate permits issued by Hong Kong Jockey Club and any vehicles illegally parked will be towed away.

## Holiday clinic service on Buddha's

# Birthday

The following is issued on behalf of the Hospital Authority:

The Hospital Authority (HA) spokesperson today (May 20) said that 12 general out-patient clinics (see table below) of the Authority will provide holiday service in the coming Tuesday (May 22) on the Buddha's Birthday holiday. Members of the public are reminded to make advance booking through the telephone system as usual for an appointment.

The spokesperson further remarked that the Accident and Emergency (A&E) Departments in public hospitals will also operate as usual during the holiday to serve patients with urgent medical needs. The established triage system will ensure priority treatment for critical and emergency patients according to their clinical conditions.

"The queuing time is expected to be longer for semi-urgent and non-urgent patients as there may be more patients attending A&E Departments during the holiday," the spokesperson said. The HA appeals to the public for understanding and co-operation while waiting for consultations. Non-urgent patients are advised to consider seeking consultation at general out-patient clinics, private doctors or the 24-hour clinics of private hospitals.

To help find the appropriate family medicine doctor and related clinic service of their choice, members of the public are welcome to call the HA Infoline (2882 4866) for information on holiday general out-patient clinic service, browse the Primary Care Directory of the Department of Health at [www.pcdirectory.gov.hk](http://www.pcdirectory.gov.hk), or download the "Primary Care Directory" mobile app.
