

HAD opens temporary heat shelters

The Home Affairs Department will continue to open 19 community halls/community centres as temporary heat shelters today (July 12).

The temporary heat shelters will remain open for people to take refuge from the heat when the Very Hot Weather Warning is in force. From 10.30pm to 8am the next day, the temporary heat shelters will also provide bedding and a sleeping place for people in need. The shelters are manned by duty attendants.

For further information, please call the department's hotline before midnight on 2572 8427.

The heat shelters are located at:

Hong Kong Island:

Central and Western –

Sai Ying Pun Community Complex Community Hall
3/F, Sai Ying Pun Community Complex
2 High Street, Sai Ying Pun

Eastern –

Causeway Bay Community Centre
3/F, 7 Fook Yum Road, Causeway Bay

Southern –

Lei Tung Community Hall
Lei Tung Estate, Ap Lei Chau

Wan Chai –

Wan Chai Activities Centre
LG/F, Wan Chai Market, 258 Queen's Road East, Wan Chai

Kowloon Districts:

Kowloon City –

Hung Hom Community Hall
1/F, Kowloon City Government Offices
42 Bailey Street, Hung Hom

Kwun Tong –

Lam Tin (West) Estate Community Centre
71 Kai Tin Road, Lam Tin

Sham Shui Po –

Shek Kip Mei Community Hall
G/F, Block 42, Shek Kip Mei Estate, Sham Shui Po

Wong Tai Sin –
Tsz Wan Shan (South) Estate Community Centre
45 Wan Wah Street, Tsz Wan Shan

Yau Tsim Mong –
Henry G Leong Yaumatei Community Centre
60 Public Square Street, Yau Ma Tei

New Territories Districts:

Islands –
Tung Chung Community Hall
G/F, Tung Chung Municipal Services Building, 39 Man Tung Road, Tung Chung

Kwai Tsing –
Kwai Shing Community Hall
Podium, Block 6, Kwai Shing West Estate, Kwai Chung

North –
Cheung Wah Community Hall
Cheung Wah Estate, Fanling

Sai Kung –
Hang Hau Community Hall
G/F, Sai Kung Tseung Kwan O Government Complex, 38 Pui Shing Road, Hang Hau,
Tseung Kwan O

Sha Tin –
Lung Hang Estate Community Centre
Lung Hang Estate, Sha Tin

Tai Po –
Tai Po Community Centre
2 Heung Sze Wui Street, Tai Po

Tsuen Wan –
Lei Muk Shue Community Hall
G/F, Hong Shue House, Lei Muk Shue Estate, Tsuen Wan

Tuen Mun –
Butterfly Bay Community Centre
Butterfly Estate (near Tip Sum House), Tuen Mun

Yuen Long –
Long Ping Community Hall
Long Ping Estate, Yuen Long

Yuen Long –
Tin Yiu Community Centre
Tin Yiu Estate, Tin Shui Wai

In addition to the above heat shelters, a number of community halls/community centres can also be used for taking refuge from the heat during their operating hours. For their address details, please browse the following document: www.had.gov.hk/file_manager/en/documents/public_services/emergency_services/List_CH_CC_Day_E.pdf.

Update on dengue fever

The Centre for Health Protection (CHP) of the Department of Health today (July 12) reported the latest number of dengue fever (DF) cases, and urged the public to maintain strict environmental hygiene, mosquito control and personal protective measures both locally and during travel.

From July 5 to yesterday (July 11), the CHP recorded two imported DF cases. One of the patients had been to Thailand while the other had been to Laos and Singapore during the incubation period.

As of yesterday, 36 cases of DF, including 33 imported and three local cases, had been recorded in 2024. In 2023, 62 imported cases of DF were recorded.

According to the World Health Organization, the global incidence of DF has markedly increased over the past two decades, posing a substantial public health challenge. In 2023, ongoing transmission, combined with an unexpected spike in DF cases, had resulted in close to a historic high of over 6.5 million cases and more than 7 300 dengue-related deaths reported in over 80 countries/territories. The latest surveillance data shows that there is an increase in DF cases noted in some places in Asia (such as Indonesia, Malaysia, Singapore and Thailand) compared to the same period last year. Since the beginning of 2024, the Americas, including Brazil, Argentina and Peru, have recorded over 10 million cases, a record number. Detailed information on the latest DF situation in Hong Kong, as well as neighbouring and overseas countries and areas, has been uploaded to the CHP website (www.chp.gov.hk/files/pdf/df_imported_cases_and_overseas_figures_eng.pdf).

"Apart from general measures, travellers returning from areas affected by DF should apply insect repellent for 14 days upon arrival in Hong Kong. If feeling unwell, seek medical advice promptly and provide travel details to a doctor," a spokesman for the CHP said.

The public should take heed of the following advice on mosquito control:

- Thoroughly check all gully traps, roof gutters, surface channels and drains to prevent blockage;
- Scrub and clean drains and surface channels with an alkaline detergent

- compound at least once a week to remove any deposited mosquito eggs;
- Properly dispose of refuse, such as soft drink cans, empty bottles and boxes, in covered litter containers;
 - Completely change the water of flowers and plants at least once a week. The use of saucers should be avoided if possible;
 - Level irregular ground surfaces before the rainy season;
 - Avoid staying in shrubby areas; and
 - Take personal protective measures such as wearing light-coloured long-sleeved clothes and trousers, and apply insect repellent containing DEET to clothing or uncovered areas of the body when doing outdoor activities.

â€‹DEET-containing insect repellents are effective and the public should take heed of the tips below:

- Read the label instructions carefully first;
- Apply right before entering an area with risk of mosquito bites;
- Apply on exposed skin and clothing;
- Use DEET of up to 30 per cent for pregnant women and up to 10 per cent for children*;
- Apply sunscreen first, then insect repellent; and
- Reapply only when needed and follow the instructions.

* For children who travel to countries or areas where mosquito-borne diseases are endemic or epidemic and where exposure is likely, those aged 2 months or above can use DEET-containing insect repellents with a DEET concentration of up to 30 per cent.

â€‹The public should call 1823 in case of mosquito problems and may visit the following pages for more information: the DF page of the [CHP](#) and the [Travel Health Service](#), the latest [Travel Health News](#), [tips for using insect repellents](#), and the CHP [Facebook Page](#) and [YouTube Channel](#).

[Analytical Accounts of the Exchange Fund](#)

The following is issued on behalf of the Hong Kong Monetary Authority:

The Hong Kong Monetary Authority (HKMA) released today (July 12) the key analytical accounts of the Exchange Fund at the end of June 2024.

Foreign assets, representing the external assets of the Exchange Fund, decreased during the month by HK\$13.3 billion to HK\$3,454.7 billion.

The Monetary Base, comprising Certificates of Indebtedness, Government-issued currency notes and coins in circulation, the balance of the banking system and Exchange Fund Bills and Notes issued, amounted to HK\$1,927.4 billion.

Claims on the private sector in Hong Kong amounted to HK\$296.3 billion.

Foreign liabilities amounted to HK\$22.2 billion.

The analytical accounts of the Exchange Fund are released in accordance with the International Monetary Fund's Special Data Dissemination Standard (SDDS) and are referred to as the Analytical Accounts of the Central Bank under SDDS (Annex).

At present, four press releases relating to the Exchange Fund's data are issued by the HKMA each month. Three of these releases are issued to disseminate monetary data in accordance with the International Monetary Fund's SDDS. The fourth press release, on the Exchange Fund's Abridged Balance Sheet and Currency Board Account, is made in accordance with the HKMA's policy of maintaining a high level of transparency. For the month of July 2024, the scheduled dates for issuing the press releases are as follows:

July 5 (Issued)	SDDS International Reserves (Hong Kong's Latest Foreign Currency Reserve Assets Figures)
July 12	SDDS Analytical Accounts of the Central Bank (Analytical Accounts of the Exchange Fund)
July 31	SDDS Template on International Reserves and Foreign Currency Liquidity
July 31	Exchange Fund Abridged Balance Sheet and Currency Board Account

[Hong Kong Deposit Protection Board](#) [Annual Report 2023-2024](#)

The following is issued on behalf of the Hong Kong Monetary Authority:

The Hong Kong Deposit Protection Board (the Board) today (July 12) published its Annual Report for 2023-2024. The Report highlights the key achievements of the Board in 2023-2024, which include the completion of the public consultation on a package of proposals to enhance the Deposit Protection Scheme (DPS or the Scheme) and the issuance of conclusions to the consultation. With the passage of the Deposit Protection Scheme (Amendment)

Bill 2024 by the Legislative Council on July 3, 2024, the enhancement measures will be implemented in two phases on October 1, 2024, and January 1, 2025. The Report also highlights the Board's efforts in promoting public awareness and understanding of the DPS, which contributed to a historic high level of public awareness of the Scheme in 2023.

The Annual Report 2023-2024 is available on the Board's website (www.dps.org.hk).

Red tide sighted

A red tide was sighted over the past week, the Inter-departmental Red Tide Working Group reported today (July 12).

On July 10, staff of the Environmental Protection Department spotted a red tide in Tseung Kwan O. The red tide still persists and no associated fish deaths have been reported as of today.

A spokesman for the working group said, "The red tide was formed by *Pseudo-nitzschia pungens*, which is commonly found in Hong Kong waters and non-toxic."

The Agriculture, Fisheries and Conservation Department (AFCD) urged mariculturists at Po Toi O and Tung Lung Chau fish culture zones to monitor the situation closely and increase aeration where necessary.

Red tide is a natural phenomenon. The AFCD's proactive phytoplankton monitoring programme will continue to monitor red tide occurrences to minimise the impact on the mariculture industry and the public.
