

Special traffic arrangements for race meeting in Happy Valley

Special traffic arrangements will be implemented in Happy Valley today (July 10). The arrangements will last until the crowds have dispersed after the race meeting.

A. Traffic arrangements before the commencement of the first race

The following road closure and traffic diversions will be implemented from 6pm onwards:

1. Road closure

Southbound Wong Nai Chung Road between Queen's Road East and the slip road leading to Aberdeen Tunnel will be closed, except for vehicles heading for Aberdeen Tunnel.

2. Traffic diversions

- Southbound Wong Nai Chung Road between Village Road and the slip road leading to Aberdeen Tunnel will be re-routed one way northbound;
- Traffic along eastbound Queen's Road East heading for Wan Chai and Happy Valley will be diverted to turn left to Morrison Hill Road;
- Traffic along southbound Morrison Hill Road heading for Happy Valley will be diverted via Sports Road and Wong Nai Chung Road;
- Traffic along Queen's Road East cannot turn right to Wong Nai Chung Road, except for vehicles heading for Aberdeen Tunnel;
- Traffic from Cross Harbour Tunnel heading for Queen's Road East will be diverted via the down-ramp leading from southbound Canal Road flyover to Morrison Hill Road to turn right at the junction of Wong Nai Chung Road and Queen's Road East; and
- Traffic from Cross Harbour Tunnel heading for Happy Valley or Racecourse will be diverted via the down-ramp leading from southbound Canal Road flyover to Canal Road East, southbound Morrison Hill Road, Sports Road and Wong Nai Chung Road.

B. Traffic arrangements before the conclusion of race meeting

The following road closure and traffic diversions will be implemented from about 35 minutes before the start of the last race:

1. Road closure

- The slip road connecting Wong Nai Chung Road and Aberdeen Tunnel;
- Southbound Wong Nai Chung Road between Queen's Road East and the slip road connecting Wong Nai Chung Road and Aberdeen Tunnel;
- Southbound Wong Nai Chung Road between Village Road and Parsee Cemetery;
- Westbound Leighton Road between Wong Nai Chung Road and Canal Road East; and

- Southbound Morrison Hill Road between Leighton Road and Queen's Road East.

In addition, southbound Wong Nai Chung Road between the up-ramp leading to Aberdeen Tunnel and the Public Stands of Hong Kong Jockey Club will be closed from about 10 minutes before the start of the last race.

2. Traffic diversions

- Eastbound Queen's Road East at its junction with Morrison Hill Road will be reduced to one-lane traffic heading for northbound Canal Road flyover;
- Traffic from Cross Harbour Tunnel heading for Wan Chai will be diverted via the down-ramp leading from southbound Canal Road flyover to Canal Road East, U-turn slip road beneath Canal Road flyover, Canal Road West and Hennessy Road;
- Traffic from Cross Harbour Tunnel heading for Happy Valley will be diverted via the down-ramp leading from southbound Canal Road flyover to Canal Road East, eastbound Leighton Road and Wong Nai Chung Road;
- Traffic along southbound Morrison Hill Road will be diverted to turn left to eastbound Leighton Road;
- Traffic along southbound Morrison Hill Road heading for Happy Valley will be diverted via eastbound Leighton Road and Wong Nai Chung Road; and
- Traffic along westbound Leighton Road will be diverted to Wong Nai Chung Road.

C. Learner drivers prohibition

Learner drivers will be prohibited to turn left from Caroline Hill Road to Leighton Road between one and a half hours before the start of the first race and one hour after the last race. In addition, learner drivers will be prohibited from accessing the following roads within the above period of time:

- Shan Kwong Road between Yik Yam Street and Wong Nai Chung Road;
- Village Road between its upper and lower junctions with Shan Kwong Road;
- Percival Street between Hennessy Road and Leighton Road;
- Canal Road East; and
- The service road leading from Gloucester Road to Canal Road flyover.

D. Suspension of parking spaces

Parking spaces on southbound Wong Nai Chung Road between Sports Road and Blue Pool Road will be suspended from 11am to 7pm during day racing, from 4.30pm to 11.59pm during evening racing, and from 5pm to 11.59pm during night racing.

Any vehicles found illegally parked within the precincts of the above affected areas will be towed away without prior notice.

Actual implementation of road closure and traffic diversion will be made by the Police at the time depending on traffic conditions in the areas. Motorists should exercise tolerance and patience, and follow the instructions of Police on site.

[InvestHK welcomes WeBank to establish technology company headquarters in Hong Kong](#)

The Government today (July 10) welcomed WeBank Co, Ltd (WeBank), a world leading digital bank founded in Shenzhen, as it established its technology company headquarters in Hong Kong. WeBank plans to invest up to US\$150 million and create high-skilled technology jobs in the city. The Financial Services and the Treasury Bureau (FSTB) and Invest Hong Kong (InvestHK) have been working together to assist WeBank to set up its technology company headquarters in Hong Kong.

The Director-General of InvestHK, Ms Alpha Lau, said, "The establishment of WeBank's operation in Hong Kong has been the result of extensive co-ordination between the FSTB and InvestHK to ensure that the company is well positioned for success upon commencing its activities in our city. The numerous strategic enterprises that have recently announced the opening of international research and development (R&D) centres and headquarters in Hong Kong is clear evidence that our city possesses clear advantages in enabling globally scaled companies to achieve their ambitions. InvestHK warmly welcomes WeBank and remains fully committed to facilitating the establishment and growth of forward-thinking enterprises in our dynamic and vibrant business environment."

The President of WeBank, Mr Li Nanqing, said, "Hong Kong has emerged as a centre of excellence in global business connectivity and financial technology innovation. It offers us an ideal environment to advance our innovation and expand our international footprint. We are excited to contribute to and benefit from the city's dynamic fintech ecosystem, robust infrastructure, and strategic connectivity. We look forward to collaborating with local partners, stakeholders and attracting talent on this exciting next step of our journey."

WeBank's technology company headquarters in Hong Kong will serve as a base for its R&D activities and provide commercialising technology solutions for global markets. As a key participant, contributor and beneficiary in the Belt and Road Initiative, Hong Kong was chosen by the bank for its high aspirations and readiness to embrace frontier technologies and build a vibrant fintech ecosystem, as well as Hong Kong's well-established international financial services sector.

WeBank is well known for bringing inclusive financial services to over 4.5 million micro, small and medium-sized enterprises, and nearly 400 million individuals in Mainland China. Recognised this year by International Data Corporation as the benchmark for the global development of digital banking,

WeBank demonstrates leading fintech innovation capabilities in core and cutting-edge technologies such as artificial intelligence, blockchain, cloud computing, and big data. As at today, WeBank has filed over 3 800 patent applications.

[Very Hot Weather Warning issued](#)

Attention TV/radio announcers:

Please broadcast the following as soon as possible:

The Hong Kong Observatory has issued the Very Hot Weather Warning.

To prevent heat stroke, avoid prolonged activities outdoors.

If engaged in outdoor work or activities, wear a wide-brimmed hat and light-coloured, loose-fitting clothes. Stay in shaded areas as much as possible.

Drink plenty of water, and avoid beverages containing caffeine or alcohol.

If you feel sick, consult a doctor right away.

[CHP reminds public on precautions against heat stroke during very hot weather](#)

The Centre for Health Protection (CHP) of the Department of Health (DH) today (July 10) reminded members of the public, particularly those undertaking outdoor activities, to take heed of necessary measures against heat stroke and sunburn in very hot weather.

"The public should carry and drink plenty of water to prevent dehydration while engaging in outdoor activities," a spokesman for the CHP said.

"Those engaged in strenuous outdoor activities should avoid beverages containing caffeine, such as coffee and tea, as well as alcohol, as they speed up water loss through the urinary system," the spokesman explained.

"Infants and children, the elderly, pregnant women, those with chronic illnesses such as heart disease or high blood pressure, outdoor/manual workers, and individuals who are overweight are more vulnerable to heat stroke. They should pay special attention," the spokesman added.

The public should adopt the following precautions:

- Wear loose and light-coloured clothing to reduce heat absorption and facilitate sweat evaporation and heat dissipation;
- Avoid vigorous exercise and prolonged activities like hiking or trekking as heat, sweating and exhaustion can place additional demands on the physique;
- Perform outdoor activities in the morning or the late afternoon, if possible;
- For indoor activities, open all windows, use a fan or use air-conditioning to maintain good ventilation;
- Do not stay inside a parked vehicle; and
- Reschedule work to cooler times of the day if feasible. If working in a hot environment is inevitable, introduce shade in the workplace where practicable. Start work slowly and pick up the pace gradually. Move to a cool area for rest at regular intervals to allow the body to recuperate.

â€‹The public should also note the latest and the forecast Ultraviolet (UV) Index released by the Hong Kong Observatory (HKO). When the UV Index is high (6 or above):

- Minimise direct exposure of the skin and the eyes to sunlight;
- Wear long-sleeved and loose-fitting clothes;
- Wear a wide-brimmed hat or use an umbrella;
- Seek a shaded area or put on UV-blocking sunglasses;
- Apply a broad-spectrum sunscreen lotion with a minimum sun protection factor (SPF) of 15, preferably higher. Reapply every two hours if you stay out in the sun, and after swimming, sweating or towelling off; and
- While using DEET-containing insect repellents for personal protection against mosquito-borne diseases, apply sunscreen first, then insect repellent.

â€‹If symptoms develop, such as dizziness, headache, nausea, shortness of breath or confusion, rest and seek help immediately, and seek medical advice as soon as possible.

â€‹The public may obtain more information from the DH's Health Education Infoline (2833 0111), [heat stroke](#) page and [UV radiation](#) page; the HKO's Dial-a-Weather (1878 200), latest [weather report and forecast](#), [UV Index](#) and weather information for [hiking and mountaineering](#); and [press releases](#) of the Labour Department on precautions against heat stroke for outdoor workers and their employers when the Very Hot Weather Warning is in force.

Hong Kong Customs combats unfair trade practices by rehabilitation institution

Hong Kong Customs today (July 9) arrested a male director of a rehabilitation institution. A staff member of the institution is suspected of having applied a false trade description to the service supplied, and of engaging in unfair trade practices involving a misleading omission, in contravention of the Trade Descriptions Ordinance (TDO).

Customs earlier received information alleging that a staff member of a rehabilitation institution falsely claimed to a customer that the prepaid book fees for a two-year training course could be refunded. However, the institution did not refund the fees to the customer in the end.

In addition, the staff member claimed that the accommodation deposit paid by the customer would be refunded after his children completed the course. However, it was only after the institution ceased to provide the training course that the staff member informed the customer of a material information i.e. the deposit would not be refunded even the course was discontinued.

Customs officers today arrested a 66-year-old male director of the rehabilitation institution. He has been released on bail pending further investigation.

An investigation is ongoing, and the possibility of other persons involved in the case being arrested is not ruled out.

Customs reminded traders to comply with the requirements of the TDO and consumers to purchase services from reputable shops.

Under the TDO, any trader who applies a false trade description to a service supplied or offered to be supplied to a consumer commits an offence. Any trader who engages in a commercial practice that omits or hides material information or provides material information in a manner that is unclear, unintelligible, ambiguous or untimely, and as a result causes, or is likely to cause, an average consumer to make a transactional decision, commits an offence. The maximum penalty upon conviction is a fine of \$500,000 and imprisonment for five years.

Members of the public may report any suspected violations of the TDO to Customs' 24-hour hotline 2545 6182 or its dedicated crime-reporting email account (crimereport@customs.gov.hk) or online form (eform.cefs.gov.hk/form/ced002/).
