

# **Corporate report: Environmental Improvement Plan 2023**

Our delivery plan for the environment, building a greener, more prosperous country.

---

## **Guidance: Countryside Stewardship: get funding to protect and improve the land you manage**

What farmers, foresters and land managers need to know and do before applying for a Countryside Stewardship grant, and how to manage a grant agreement.

---

## **Guidance: Dealing in items containing ivory or made of ivory**

When and how you need to register your item or apply for an exemption certificate to deal in ivory.

---

## **Form: Statutory Plant Health Notice (SPHN) advice package: application form**

Complete this form to apply for the SPHN advice package that supports landowners or land managers to manage trees, under a SPHN, with specific tree pests and diseases.

---

## **Press release: Improvements made to the Tree Health Pilot following a successful first year**

Innovative pilot provides grants, guidance and advice to reduce the impacts of tree pests and diseases and build the resilience of England's trees, woodlands and forests
