Detailed guide: Importing and exporting plants and plant products if there's a no-deal Brexit

How to trade in plants and plant products inside and outside the EU if there's a no-deal Brexit.

National Statistics: Farming Statistics - 2019, UK wheat and barley production first estimate

UK wheat and barley production

<u>Guidance: The Customs (Tariff Rate Quotas) Regulation</u>

Product-specific tariff-rate quotas, including the individual product volumes and rates.

Guidance: The Customs Tariff (Establishment) (EU Exit) Regulations

Read this document to find out the legal classification and import rate for products being imported into the UK.

<u>Detailed guide: Applying for quota to produce or import F gas</u>

You need a quota to produce or import hydrofluorocarbons (HFCs) — the most common type of fluorinated gas (F gas).
