

Research and analysis: The future farming and environment evidence compendium – historical editions

Previously published editions of the evidence compendium.

Research and analysis: The future farming and environment evidence compendium – latest edition

This compendium brings together existing statistics on agriculture to summarise the current state of the agricultural industry in the United Kingdom.

Research and analysis: Litter and littering in England: data dashboard

The government's approach to understanding the extent of litter and littering in England.

National Statistics: Historical statistics notices on UK milk prices and composition of milk, 2019

Previously published National Statistics notices on UK averages of the farm-gate price and composition of milk.

Statutory guidance: Litter and refuse: code of practice

This code seeks to outline in more detail what might be considered by a court of law to be practicable on different types of land.
