

The Animal Health, Invasive Alien Species, Plant Breeders' Rights and Seeds (Amendment etc.) (EU Exit) Regulations 2019

This instrument makes a number of technical changes to existing instruments and takes into account recent changes to EU legislation which could not be included in earlier EU Exit instruments. It will ensure that retained EU law continues to operate effectively after the UK leaves the EU. It covers animal health, invasive non-native species and plant varieties and seeds policy areas.

The Food and Drink (Amendment) (EU Exit) Regulations 2019

These regulations primarily amend wine legislation but also make minor operational amendments to food information rules.
