

Notice: C04 5JL, Alliance Medical Limited: environmental permit application advertisement

The Environment Agency consults the public on certain applications for Radioactive Substances Activity. The arrangements are explained in its [Public Participation Statement](#)

These notices explain:

- what the application is about
- how to view the application documents
- when you need to comment by

The Environment Agency will decide:

- whether to grant or refuse the application
- what conditions to include in the permit (if granted)

Consultation outcome: Fluorinated greenhouse gases (F-gas) regulations: introducing civil penalties

Updated: A correction has been made to the final sentence of paragraph 31 in the “Summary of responses”. The original sentence stated “Where an appeal is made to the Sheriff Court, the Scottish Courts and Tribunals Service will determine the manner of such an appeal and the corresponding fee”. This sentence has been amended to say “Where an appeal is made to the Sheriff, court rules will determine the procedure to be followed and the corresponding fee”.

We want to know what you think about our proposals to change the way F-gas regulations are enforced by introducing civil penalties. These changes would apply to England, Scotland and offshore marine areas.
