[Getting things done – Briarwood Terrace #dundeewestend](#)

Residents recently contacted me regarding some less than satisfactory pothole repairs in the badly deteriorated road in Briarwood Terrace.

I contacted the City Council's Roads Maintenance Partnership about this and was advised :

"The pothole repairs are very difficult on such a poor surface and they are as good as we can do with the road in its current state."

However, the very good news is that this poor conditioned roadway will be completely resurfaced this financial year, likely to take place in November.

Getting things done – Roseangle/Magdalen Green area #dundeewestend

Residents have mentioned to me that it would be a boon to have some outdoor

gym equipment in the Roseangle/Magdalen Green area, as is already in situ elsewhere in the city – eg Camperdown and Stobsmuir parks.

I took this up with the Service Manager – Environment at the City Council who positively advised me as follows :

" ... whilst we have no plans to instal gym equipment at this time, I am happy to include this for future consideration within capital development plans."
