Blackness Road (at Abbotsford Street) – temporary traffic lights from Monday 30 November for 3 days for BT work.

[Dundee City Council Tenants – Have Your Say – Rent Consultation 2020](#)

From the City Council :

“Every year, the City Council Neighbourhood Services reviews the rent and other charges that we need to collect so that we can continue to deliver the services that you have told us you want.

Neighbourhood Services aim to ensure that the highest quality of housing is provided for the people of Dundee in a safe and healthy environment. This can only be achieved through partnership working across all sectors.

The council strives to provide a continually high standard of service by consulting and engaging with tenants on decisions which involve them.

The current restrictions continue to make this a challenge, however, your opinion matters, so please take time some to be part in this year’s rent consultation before 23rd December 2020.

Below are some examples of how you can Get Involved & Have Your Say :

- Information displayed on the Council, partner and Elected Member social media portals and websites.

- Taking the opportunity to complete the survey if asked to Get Involved by Council staff, either in person, or over the phone.

- Email us on rentconsultation@dundeecity.gov.uk

- Complete the survey by visiting <https://www.surveymonkey.co.uk/r/MCRC-2021-22>

- Text ‘RENT 1, 2 or 3’ to 0753 924 2303

- Scanning ‘QR’ Quick Response code on literature

Following the consultation period, all feedback received on the proposed options will be reported to, and considered by, Committee in January 2021.”

You can read more at www.dundee.gov.uk/rent-consultation

Please support Adoption Week 2020!

I am supporting Adoption Week Scotland 2020 that runs all next week and the City Council is promoting this excellent yearly event to promote adoption and fostering in Dundee.

The Dundee adoption and fostering Facebook page is at www.facebook.com/dundeeadoptionandfostering and will have daily posts throughout the week.

[Bike rack provision in the West End](#) [#dundeewestend](#)

Towards the end of last year, the City Council's Outdoor Access Officer discussed possible improvements to bike racks provision in Perth Road and Blackness Road, something many local residents have said would assist local cyclists.

Sites were discussed and agreed but, meantime, the health emergency rather got in the way of these being installed.

I recently asked the Outdoor Access Officer for an update and have received the following positive response :

"I was in touch with the contractor about a week ago, and he was intending to get the racks installed this month.

You will remember this will install one stand at the Spar, one at the front of Sainsbury's and a rack of 4 stands at the library on the Perth Road. There was also a stand to go in near the Chemists at Blackness Road.

I hope this helps at the locations your constituent visits.

As you say the main delay to these being installed was the Covid-19 situation."

[Bollard at Roseangle playpark area –](#) [an update #dundeewestend](#)

Residents will recall that I had recently reported a bollard that requires to be re-sited back in place on the foot/cycle path near the Roseangle playpark.

The City Council has now responded as follows :

“The aforementioned bollard has been sheared at the base and is not re-installable. The hole has been made safe and I have ordered a new one to replace it when it arrives it will be installed.”
