A fabulous West End Christmas

Fortnight launches soon!

#dundeewestend

Saturday 24th November sees the start of the West End Christmas Fortnight, which will be launched with a children's crafts event followed by fortnight of many activities across the West End.

A highlight of the fortnight will be the Christmas Lights Switch On for the West End and a spectacular fireworks extravaganza, taking place on Wednesday 28th November. This year's West End Christmas Concert takes place that evening at Dundee West Church at 6.15pm. There will be musical contributions from all local primary and secondary schools. The concert will be hosted by Gordon Sharp.

We are delighted that "The Notables" will perform as well as local school pupils – it will be a great concert and everyone is very welcome to attend. Mains of Fintry Pipe Band will pipe everyone from the church to Seabraes for the Christmas Lights Switch-On.

At 7pm, Better Taygether singers will perform by the tree and thereafter at 7.20pm the West End Christmas Lights will be switched on at Seabraes by Santa. There will again be a spectacular fireworks display after the lights switch-on.

West End Christmas Fortnight is packed with events and we hope that, as in the past 18 years, the local community will take part. We are extremely grateful to all the local businesses for their support of the Christmas Fortnight, without which the events would not be possible.

From Dundee Money Action :

You're invited to join us for our second open day on Thursday 22nd November to hear more about the work of Dundee Money Action and how we are able to support your client base.

This event will take a similar format to our previous event held at the end of August, which was very well received by those who attended, with very positive feedback about the content and information provided about our

service.

We are running four identical sessions over the course of the day – one hour sessions starting at 9.30am, 11am, 2pm, 3.30pm, which is designed to fit in around diary commitments within a working day. This event will be held at The Friary, Tullideph Road.

You will hear some case studies, find out more about the work of the project, the benefits to your client group, and how you can connect your clients to our workers.

This event is for anyone working directly with a client group in Dundee – eg support workers / NHS staff / front line workers / charity drop-in workers. We would welcome multiple attendees from the same organisation or team.

Dundee Money Action is an innovative partnership project working across Dundee, delivering ongoing support for Dundee citizens to enable them to be more in charge of their money:

- dealing with debts;
- building money management skills;
- looking at home energy use;
- assisting with benefits;
