Temporary Traffic Order – Riverside Esplanade and Riverside Drive

From Dundee City Council :

Dundee City Council proposes to make an Order under Section 14(1) of the Road Traffic Regulation Act 1984 for the purpose of facilitating construction works. The Order is expected to be in force for 33 weeks from 2 April 2017. Its maximum duration in terms of the Act is eighteen months.

The effect of the Order is to prohibit temporarily all westbound vehicular traffic in the nearside lane of both Riverside Esplanade and Riverside Drive from a point 125 metres or thereby from the end of the Tay Road Bridge west off ramp for a distance of 410 metres or thereby to a point 75 metres or thereby along Riverside Drive.

After a period of 8 weeks lane closure will be reduced to an overall length of 290 metres or thereby. Lane closure will then progress for a further period of 10 weeks to allow external works to be completed along North boundary. Lane closure will then be removed for a period of 7 weeks. Lane closure (290 metres or thereby) will recommence to allow installation of precast to elevation on building B and completion of road at main entrance for a period of 8 weeks.
