

West Park Road – street sign

Residents have contacted me regarding the fact that street sign in West Park Road at its junction with Perth Road (west side) is very faded :

I have therefore asked the council's Roads Maintenance Partnership if it can be replaced.

[Botanic Garden – willow arch construction](#)

The Friends of the University of Dundee Botanic Garden is providing funds to construct a willow tunnel and arbour in the Garden suitable for children to play in.

This work is scheduled to take place on 27th and 28th March, and all are invited to come along from 10.30am to watch or even do a bit of work!

If you wish to participate, wear wellies and warm clothes, and bring gloves.

Sandy from Arborantics who will be doing the work has said you are welcome to bring a spade/secateurs/lopper if you wish.

[Weekly Road Report – West End Ward](#)

DUNDEE CITY COUNCIL – WEEKLY ROAD REPORT

Nethergate (West Marketgait to South Tay Street) – closed for up to one week for carriageway resurfacing works.

SSE Glenagnes Cable Renewal – Lochee Road lane restrictions and closures on Blinshall Street, Fleuchar Street and Scott Street for 5 months.

Perth Road (at Springfield) – temporary traffic lights for up to one week for footway works.

[Dundee City Transmission Cable Replacement Project – an update](#)

From Scottish and Southern Electricity Networks – regarding the high voltage cable replacement project – area from Lochee Road to Logie Avenue :

“As you’ll be aware the Dundee City Transmission Cable Replacement project commenced on 6 March 2017 and is progressing according to programme. Below is an update in relation to the works and roads affected by these as at w/c 20 March :

- **Lochee Road, Joint Bay 1/2 – Road remains open to traffic who are able to pass with care**
- **Lochee Road, Joint Bay 2/3 – Traffic management system sees the sequencing of traffic lights staggered to accommodate single direction traffic as at 13/03**

- Fleucher Street, Joint Bay 3/4 – Fleuchar Street will close w/c 20 March. A diversion is in place and will take approximately 1 minute by car. Local access for residents, pedestrians, cyclists etc will be maintained during this closure.

I'd also like to give you a bit of notice regarding abnormal load deliveries to our lay down site at Brown Street. There will be cable drum deliveries to this site between 29 – 31 March where parking at Brown Street between Douglas Street and Miln Street will be temporarily suspended during short periods of time.

Traffic will be managed by Contraflow who will remain on the ground during these periods. I am currently awaiting confirmation of the vehicles' route from the Dock and also timings, when I am in receipt of this information I will be certain to pass it on to you."

I will keep residents updated as I hear further from Scottish and Southern Electricity Networks.
