Getting things done – Riverside Drive – an update #dundeewestend

Residents will recall that I previously reported that the Tay Rail Bridge Disaster Memorial – on its side facing the river – was starting to wear, making the writing difficult to read – see below – and removing parts of the mural – see first photo :

I took this up with the council's Public Art Officer who kindly made arrangements for the wording to be refreshed. This has now been done and the result is excellent as the second photo shows :
