

Getting things done – Hillside Drive #dundeewestend

Residents recently contacted me to say that there is no longer any 'no through road' signage at the cul de sac at the north end of Hillside Drive.

I raised this with the roads maintenance partnership and have received the following helpful response :

"Bailie Macpherson – We have had a look at the complaint. We agree and have put in an order for new sign and pole."

Getting things done – Roseangle #dundeewestend

Residents contacted me to advise that the security fencing in front of the empty property at 2 Roseangle had moved and was blocking much of the pavement.

I contacted the City Council about this and am grateful to the Buildings Safety team who have put the fencing back in place.
