Press release: Foreign Secretary congratulates President Rouhani on his re-election

Responding to Iran's announcement that Hassan Rouhani had been elected for a second term, the Foreign Secretary said:□

I congratulate President Rouhani on his re-election, after a lively campaign in which the Iranian people participated in large numbers.

During President Rouhani's first term we made good progress on improving UK-Iran relations, including an upgrade in diplomatic relations, and I welcome his continued commitment to the nuclear deal Iran signed up to in 2015. It is important that we now work together to ensure this deal is fully implemented, and its benefits continue to be felt by all parties.

I encourage President Rouhani to continue Iran's engagement with the international community and look forward to continued dialogue and progress on a range of issues, including Iran's regional policies, human rights and matters of bilateral concern, in particular our dual national consular cases.

[News story: Gyms merger has chance to avoid in-depth investigation](#)

David Lloyd must resolve concerns in Brighton and Brentwood to avoid further investigation of its purchase of 16 Virgin Active gyms.

Following an [initial investigation into the merger](#), the Competition and Markets Authority (CMA) has found that the 2 Virgin Active gyms in these areas compete closely with the nearby David Lloyd gyms, and would face limited competition from other operators after the merger.

The CMA is concerned that this loss of competition could result in higher prices or worse deals being offered to gym users in these areas.

It is therefore going to refer the merger for an in-depth phase 2 investigation by an independent group of CMA panel members unless David Lloyd is able to offer proposals that resolve the competition concerns by 26 May 2017.

In the other areas affected, the CMA has found no competition concerns from the merger.
