

Transparency data: BIS: spending over £500 on a GPC for April 2016

The Department for Business, Innovation and Skills (BIS) publishes details of all spending over £500 using a GPC (departmental debit card) on a monthly basis.

BIS was replaced by the Department for Business, Energy and Industrial Strategy (BEIS) in July 2016.

Transparency data: BIS: spending over £500 on a GPC for May 2016

The Department for Business, Innovation and Skills (BIS) publishes details of all spending over £500 using a GPC (departmental debit card) on a monthly basis.

BIS was replaced by the Department for Business, Energy and Industrial Strategy (BEIS) in July 2016.

Transparency data: BIS: spending over £500 on a GPC for June 2016

The Department for Business, Innovation and Skills (BIS) publishes details of all spending over £500 using a GPC (departmental debit card) on a monthly basis.

BIS was replaced by the Department for Business, Energy and Industrial Strategy (BEIS) in July 2016.

Transparency data: BEIS websites: reporting on progress 2016 to 2017

Government departments publish annual progress reports on their [external websites](#) including data on usage, accessibility and satisfaction ratings.

Note: BEIS was created in July 2016 following the merger of the Department for Business, Innovation and Skills (BIS) and the Department of Energy and Climate Change (DECC).

Transparency data: BEIS tax arrangements for off-payroll appointees, April 2016 to March 2017

The data shows details on:

- number of off-payroll engagements for those earning more than £220 per day and lasting more than 6 months duration as at 31 March 2017
- new engagements or those that reached 6 months duration between 1 April 2016 and 31 March 2017
- engagements of board members, and/or senior officials with significant financial responsibility during that period
- number of engagements for whom assurance as to their tax obligations has been sought
- number who have successfully provided assurance
- action taken against those who have not successfully provided assurance

Note

In July 2016 the Department for Business, Innovation and Skills (BIS) and the Department of Energy and Climate Change (DECC) merged to form the Department for Business, Energy and Industrial Strategy (BEIS). This is the first return for the new department (combining both ex-BIS and ex-DECC) and is not directly comparable to previous returns.
