

Telephone CEV vaccination booking goes live

Telephone vaccination booking is now available for people who received a shielding letter because they are Clinically Extremely Vulnerable (CEV) to Covid-19.

Finance Minister welcomes additional £300 million towards Covid response

Finance Minister, Conor Murphy has welcomed the announcement from Treasury which provides a further £300 million for the Executive which can be used this year or carried forward into the 2021/2022 financial year.

Mythbuster: COVID-19 vaccines and fertility

There are unfortunately some bogus claims about vaccines circulating on social media. This has been the case for many years, with “anti vaxxers” spreading misinformation. The truth is that vaccines have saved millions of lives around the world and are an essential weapon against disease.
