

## **Practices needed to support vet nurse training**

Scotland's Rural College (SRUC) is set to become a centre of excellence for the training veterinary nurses in the north east with the introduction of new courses.

---

## **SRUC supporting NHS with Covid-19 testing**

SRUC is working with Moredun Research Institute to support the NHS by providing extra capacity for vital testing of samples within their laboratory facilities at Pentlands Science Park in Midlothian.

---

## **Respecting rural diversity**

Scotland's Rural College (SRUC) has cemented its commitment to diversity by signing the Agrespect pledge.

---

## **Taking an alternative approach to crops**

Seabuckthorn is among the alternative crops being used in new food products

---

## 'Five a day' at risk under no-deal Brexit

The supply of fruit and vegetables will be further impacted by a no-Brexit deal after disruptions caused by Covid-19
