

## **Seedpod project reaches key milestone**

A planning application for the £21 million Seedpod industry development hub at Craibstone has been submitted to Aberdeen City Council.

---

## **Farm Business Survey more important than ever**

An in-depth economic study of Scotland's farms has been at the forefront of helping to inform agricultural policy for the last 85 years.

---

## **Taking animal feelings seriously**

Waitrose is rolling out a new SRUC-developed mobile application today (Monday 8 February) that will help the retailer assess and begin to understand the emotional wellbeing of its farm animals.

---

## **Donald Biggar**

SRUC was saddened to learn of the death of former board member Donald Biggar at the weekend.

---

## **Cattle population study could help reduce emissions**

The most in-depth analysis of Scotland's beef cattle population ever carried out could help to reduce emissions and improve production.
