

## **Branching out into agroforestry**

A hundred trees have been planted on upland research farmland run by Scotland's Rural College to demonstrate the benefits of agroforestry.

---

## **Speaking out about strangles**

Speaking out about strangles – an infectious equine disease – is the focus of a new national week of action launched by SRUC in partnership with some of the UK's largest horse welfare organisations.

---

## **Courses for race horse lovers**

Equine students at Scotland's Rural College will be able to specialise in race horse care as part of their course thanks to the creation of a new Scottish Racing Academy.

---

## **Animal Welfare Commission named**

An SRUC professor has been appointed chair of Scotland's first independent Animal Welfare Commission.

---

## **Victoria relishing SAC Consulting challenge**

Helping customers to identify growth opportunities among today's farming challenges is a key focus for SAC Consulting's new Head of Advisory Operations.
