

Grassroots approach

Researchers at Scotland's Rural College are calling on pony owners to help them get to the root of laminitis – a painful condition which affects many ponies and horses.

Farming in the era of sea eagles

Farmers and crofters affected by sea eagles are invited to the premiere of a short film highlighting the work being done to mitigate the problem.

From Brexit to pensions

Employers will be given guidance on a range of issues, from the right to work in the UK after Brexit to pensions, in a series of meetings across the country.

Going for green

A review of the Greenkeeping curriculum in the UK and Ireland is one of two SRUC-led projects being funded as part of a £650k initiative.

SRUC projects receive innovation funding

A project which aims to keep calves with their mothers for longer is among three SRUC-led projects to share more than £143,000 from the Knowledge Transfer and Innovation Fund (KTIF).
