

Scots scientists explore options on organic oilseed

Scientists have teamed up with farmers and industry to explore the possibility of growing organic oilseed rape (Canola) in Scotland for the first time.

Common grazing dilemmas

Crofters in the Highlands and Islands will be offered solutions to common grazing dilemmas at two workshops in the New Year.

SRUC and ADAS join forces

Agri-business across the UK will enjoy greater access to the latest independent advice backed by world-leading research and innovation, thanks to a new partnership between SRUC and ADAS.

Getting to know gamekeepers

While they play an important part in the management activities of large areas of Scotland, little is known about the daily lives of gamekeepers and their attitudes, motivations and behaviours.

Christmas bonus for 'change your path'

students

A former construction worker, a chef and a waitress are among a group of mature students receiving a cash gift at Christmas after winning 'Change Your Path' bursaries.
