

Mould Operatives Required

Welters design and manufacture a range of concrete products in opc and decorative cast stone and are seeking full time operatives to work at their Carlisle factory. The rate of pay is dependent upon experience. Normal working hours are 7.30am to 4pm weekdays and some flexibility may be required to meet company needs.

Job specification:

- Pre-cast concrete background*
- Building experience*
- Mechanical training*
- Attention to detail is a requirement
- Willing to work away from home if required to assist on site works installation
- Full driving license*
- CSCS card*

* ideal but not essential

Welters are an equal opportunity employer and welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age.

Please send a CV to jackie@welters.co.uk or phone 01228 674 947

Expanding tooling base

Welters reassure that whilst others assemble in academic groups to conceive solutions to hypothetical questions, we are expanding our tooling base to

supply important elements to key industries urgently required in this most vital and serious need of national and world trade.
