[Strength & Reliability](#)

In these difficult times, we show this beautiful image which reminds us of our F. D. Welters Ltd heritage back in the early 1920's and its elephant trademark, which still exists today as this sculpture, with the strapline of Strength and Reliability.

[Supply at need](#)

Amidst many additional industrial supply chain issues prevailing under very difficult circumstances, welters are applying massive resource to resolve supply at need under key worker conditions.

[Made in Britain](#)

Made in Britain and inspired by British classic design. This recent project installation shows a variety of exquisite memorialisation and interment amidst the uncertainty of present day life.
