

TD invites tenders for providing telecommunication services for CCTV system in Hong Kong

The Transport Department (TD) today (October 18) invited tenders for the contract on Telecommunication Services for the Closed-circuit Television (CCTV) System in Hong Kong (Contract No. TD 449/2018).

The service period of this contract will be from April 2020 to April 2025. The contract covers the provision of telecommunication services for the existing CCTV system in Hong Kong managed by the TD.

The services of this contract mainly include the provision of telecommunication services for the transmission of CCTV images between on-street CCTV cameras and traffic control centres, as well as between various traffic control centres.

Interested contractors can obtain the tender documents and other particulars from the Traffic Control Division, Transport Department, 14/F, West Kowloon Government Offices (South Tower), 11 Hoi Ting Road, Kowloon, Hong Kong.

Tender submissions should be placed in the Government Secretariat Tender Box situated on G/F, East Wing, Central Government Offices, 2 Tim Mei Avenue, Tamar, Hong Kong. Submission of tenders will be closed at noon on November 29, 2019 (Friday).

For enquiries, please call 3842 6137.
