

Telling good stories through stamps

To mark the 75th anniversary of the founding of the People's Republic of China, Hongkong Post has revamped the exhibits in its new Postal Gallery in Kowloon Bay, displaying more than 40 sets of special stamps to tell the story of the development of the country and Hong Kong.

News.gov.hk spoke with a representative from Hongkong Post to learn about the main features of the gallery and its rich treasure trove of postal artefacts.

The story is available at www.news.gov.hk/eng/feature today (October 6) in text and video format.
