

Temporary closure of CEDD public facilities from tomorrow

To tie in with the response level under the "Preparedness and Response Plan for Novel Infectious Disease of Public Health Significance" being raised to Emergency Response Level and avoid people from gathering, a spokesman for the Civil Engineering and Development Department (CEDD) announced today (January 28) that the Civil Engineering Library will be temporarily closed from tomorrow (January 29) until further notice. Details of the re-opening schedule will be announced on the CEDD website in due course.
