

Temporary traffic arrangement at Kai Tak Tunnel and East Kowloon Way next Monday

The Transport Department (TD) today (May 10) reminded members of the public that to facilitate urgent road repair work, the slow lane of the westbound tube of the Kai Tak Tunnel and the slow lane of the East Kowloon Way westbound between San Shan Road and Lok Shan Road will be temporarily closed to all vehicular traffic from 8am to 5pm next Monday (May 13).

Due to the lane closure, the TD anticipates that the traffic along the Kai Tak Tunnel and the East Kowloon Way will be relatively busy during the above period. Motorists passing through the road section concerned should exercise tolerance and patience and drive with utmost care. Appropriate traffic signs will be erected on-site to guide motorists.

The TD and the Police will closely monitor the traffic situation and implement appropriate measures whenever necessary. Members of the public are advised to stay alert to the latest traffic news on radio and television.

Details of the temporary traffic arrangement are now available on the TD's website (www.td.gov.hk).
