

# Tenders invited for fresh water and flushing water service reservoirs works for Fanling North New Development Area

The Civil Engineering and Development Department (CEDD) today (January 5) gazetted a notice to invite tenders for the contract for Fanling North New Development Area, Remaining Phase: Fresh Water and Flushing Water Service Reservoirs and Associated Works (Contract No. ND/2024/06). The closing time for the tender is noon on March 1.

The works mainly include:

- construction of a fresh water service reservoir, a flushing water service reservoir and associated site formation, geotechnical, roadworks, power supply, drainage and landscaping works;
- laying of about 5.7-kilometre-long fresh water mains and about 5.7-km-long flushing water mains;
- installation of pumps and associated electrical and mechanical works within Shek Wu Hui Water Reclamation Plant constructed by the Water Supplies Department; and
- implementation of environmental mitigation measures for the works mentioned above.

The works are scheduled to commence in the third quarter this year and will take about 40 months to complete.

The CEDD has commissioned Binnies Hong Kong Limited to design and supervise the works. Interested contractors may obtain the forms of tender and further particulars from the company at 43/F, AIA Kowloon Tower, 100 How Ming Street, Kwun Tong, Kowloon.

Details of the tender notice are available on the CEDD's website ([www.cedd.gov.hk/eng/tender-notices/contracts/tender-notices/index.html](http://www.cedd.gov.hk/eng/tender-notices/contracts/tender-notices/index.html)). For enquiries, please call Binnies Hong Kong Limited at 2601 1000 during office hours.
