

Tenders invited for improvement works of Fanling Highway (Pak Shek Au Portion) and associated works at Kwu Tung North New Development Area

The Civil Engineering and Development Department (CEDD) today (September 27) gazetted a notice to invite tenders for the contract for Kwu Tung North New Development Area, Remaining Phase: Improvement Works of Fanling Highway (Pak Shek Au Portion) and Associated Works (Contract No. ND/2024/05). The closing time for the tender is noon on December 6.

The works mainly include:

- site clearance and formation (including land decontamination works);
- widening of Fanling Highway (Chau Tau to Pak Shek Au Portion);
- modification of Castle Peak Road (Chau Tau Portion);
- construction of Pak Shek Au Interchange;
- modification of Pak Shek Au Bridge across Fanling Highway;
- construction of footbridge across Fanling Highway (Pak Shek Au Portion);
- extension of existing subways Nos. NS161 and NS161A;
- construction of associated works including water mains, drainage, retention tanks, sewerage works, roadworks, cycle tracks, footpaths, junction improvement, box culverts, slope works, retaining walls, street furniture, landscaping works, electrical and mechanical works and other ancillary works; and
- implementation of environmental mitigation measures (including noise barriers and low-noise road surfacing) and environmental monitoring works for the works mentioned above.

The works are scheduled to commence in April 2025 and will take about 62 months to complete.

The CEDD has commissioned AECOM Asia Company Limited to design and supervise the works. Interested contractors can download the tender forms and other particulars from the e-Tendering System (e-TS). Tenderers must submit tenders in electronic format via the e-TS.

Details of the tender notice are available on the CEDD's website (www.cedd.gov.hk/eng/tender-notices/contracts/tender-notices/index.html). For enquiries, please call AECOM Asia Company Limited at 3922 9000 during office hours.
