

Tenders invited for remaining works of Infrastructure Works for Tseung Kwan O Stage I Landfill Site

The Civil Engineering and Development Department (CEDD) today (October 11) invited tenders for the contract for Tseung Kwan O Further Development – Infrastructure Works for Tseung Kwan O Stage I Landfill Site – Remaining Works (Contract No. ED/2019/01).

The works are scheduled to commence in the first half of 2020 and will take about 30 months to complete. The works mainly comprise:

- construction of a footbridge with a length of about 150 metres and a width of about 6m over the Eastern Channel connecting Tseung Kwan O (TKO) Area 68 and TKO Area 77;
- construction of a sewage pumping station, a pair of sewage rising mains about 560m long, and associated sewage pipes at Lohas Park Road; and
- ancillary works including landscaping, seawall modification, footpath construction, drainage and utilities works, and related electrical and mechanical works.

The CEDD has appointed AECOM Asia Company Limited as the consultant to design and supervise the works. Interested contractors may obtain the forms of tender and further particulars from the company at 8/F, Tower 2, Grand Central Plaza, 138 Sha Tin Rural Committee Road, Sha Tin.

The invitation to tender was gazetted today. The closing time for the tender is noon on December 6, 2019.

Details of the tender notice are available at the CEDD's website (www.cedd.gov.hk/eng/tender-notices/engineering-contracts/tender-notices/index.html). For enquiries, please call AECOM Asia Company Limited at 3922 9000 during office hours.
