

Tenders invited for Yuen Long South First Phase Development site formation and infrastructure works

The Civil Engineering and Development Department (CEDD) today (April 22) published a notice in a gazette to invite tenders for the contract for Site Formation and Infrastructure Works for Yuen Long South First Phase Development – Contract 1 (Contract No. YL/2021/03). The closing time for the tender is noon on June 17.

The works mainly include:

- site clearance and formation (including land decontamination works) for about five hectares of land, together with the provision of associated engineering infrastructure;
- construction of a single two-lane carriageway of about 130 metres long connecting to Lam Tai West Road;
- construction of a single two-lane carriageway of about 130 metres long connecting to Long Hon Road;
- construction of associated works including footpaths, slopes, retaining wall, landscaping works, water supply system, sewerage system and drainage system; and
- implementation of environmental mitigation measures for the works mentioned above.

The works are scheduled to commence in September this year and will take about 32 months to complete.

CEDD has commissioned AECOM Asia Company Limited to design and supervise the works. Interested contractors may obtain the forms of tender and further particulars from the company at 12th Floor, Grand Central Plaza, Tower 2, 138 Sha Tin Rural Committee Road, Sha Tin, New Territories.
