

Territory-wide operation against drink driving and drug driving concludes

Police conducted a territory-wide operation against impaired driving (drink driving and drug driving) during World Cup 2018 from June 14 to July 16.

During the operation, Police conducted 24 990 alcohol breath tests following which 107 drivers were arrested. Police also distributed 5 750 publicity leaflets carrying anti-drink driving and anti-drug driving messages.

Police appeal to motorists to be responsible and safe road users, and remind them not to drive after consuming alcohol or taking drugs. Convicted offenders will be liable to have their driving licenses suspended or sentenced to imprisonment.
