

# **THB driver tests positive for COVID-19**

The Transport and Housing Bureau (THB) today (February 26) said that a driver of THB had undergone a rapid test with a result being positive for COVID-19.

The driver is responsible for driving duties for the Secretary for Transport and Housing, Mr Frank Chan Fan. He does not need to have contact with the public and had no recent travel history. He wore masks and followed relevant disease prevention measures at work. He last performed duties on February 24.

Mr Chan has taken COVID-19 rapid tests and swab sampling for COVID-19 testing in recent days. Both results are negative.

For prudence's sake, Mr Chan has also taken swab sampling for COVID-19 testing today.
