

The magic of music

The Hong Kong Hope Through Music Children's Charity provides free music lessons for children from low-income families and opportunities for them to perform.

The youngsters perform free community concerts to spread care and love to other people in need.

News.gov.hk recently interviewed the charity's chairman and members of its Children's Choir and Children's Orchestra, to see how music has changed their lives.

The story appears on news.gov.hk today (May 27) in text and video format.
