Special Imports Scheme Home	
	mport application facility is available to veterinary surgeons OHLY, who wish to import a for veterinary use under the provisions of the Prescibing Cascade.
I am a Veterinary	Surgeon and want to import:
C an EU authorise	d veterinary medicine
C an EU authorise	d Human medicine or a medicinal product from outside the EU
I am a Wholesale	Dealer and want to import:
	pedatativ une
C a product for ve	and a set
	e Project License Hulder and want to import:

Veterinary Surgeons should obtain an import certificate in advance if you think you will need to import/use an imported medicine during this period.

In urgent cases where the VMD have previously issued a certificate, you may purchase and use an imported veterinary medicine prior to obtaining a certificate from the VMD. This is a special dispensation which only applies to the VMD online system during this maintenance period.

You should obtain an import certificate retrospectively as soon as possible.
