

The UK will rejoin the high table of global influence

Out of the EU the UK will have more influence in the world

The UK has often been a force for good

We have faced down genocides and warmongering dictators

We have often with our US ally stood for freedom, self determination and democracy

We stood up for the values of freedom and self determination when we helped liberate Kuwait

Freed the Falkland islanders

And defeated the Axis powers in 1945

Some say if we leave the EU we will become isolated and less powerful

That is selling us short and misunderstanding the realities

Out of the EU the UK will regain her voice and vote in international bodies where the EU has displaced us

We have not given up our seat on the UN Security Council

Let us take the WTO as an example

We were an influential founding member

In recent years we have had neither voice nor vote, as the EU has spoken for us

Out of the EU we will once again be a strong voice for free trade worldwide

Far from being isolated we will have new allies

Under WTO rules the EU cannot impose on us any barriers they do not impose on all the other WTO members

So if some in the EU have in mind retreating behind some stockade of tariffs and regulations

They will be picking a fight with the USA, China and the rest at the same time

Out of the EU we will be able to regain our voice and vote in various worldwide standards making bodies, whose work often requires the EU to implement the results
