

# There's a real lack of ambition and clarity in the government's digital transformation strategy – Trickett

**Jon Trickett MP, Labour's**

**Shadow Minister for the Cabinet Office**, responding to warnings from the Institute for Government about deficiencies in the Government Transformation Strategy, said:

“Ministers need to pay attention to these warnings. There's a real lack of ambition and clarity in the government's digital transformation strategy.

“While the Government tried to avoid criticism by sneaking it out after the Brexit debate, they cannot ignore the details which they'll be judged on in the long term.

“Theresa May and her Government should throw their weight behind this strategy to make sure a digital transformation actually takes place – and this isn't just another flashy strategy that falls by the wayside when Ministers realise they haven't thought through the details.”
