

Theresa May is less Margaret Thatcher and more Veruca Salt – Emily Thornberry

Emily Thornberry, Labour's Shadow Foreign Secretary of State, speaking on Channel 4 News, said:

"The truth is that Theresa May paints herself as a bloody difficult woman or a Margaret Thatcher figure, but I think this is less Margaret Thatcher and more Veruca Salt. You can't just stand there and simply say: 'I want, I want, I want' when you are negotiating.

"What you have to do is to persuade the other side that you have some ideas that would be good for both sides. You need to be able to calm down and you need to be able to make friends and be prepared to compromise.

"Otherwise we are heading for a hard Brexit; we are heading for no deal and she must back off. A strong Brexit is about a deal that works for the British economy. We are talking about people's jobs – that's the important thing."
