

These figures show a worrying slowdown in workload growth for housebuilders – John Healey

John

Healey MP, Labour's Shadow Secretary of State for Housing, responding to new figures showing slowing growth in the construction industry, said:

“These figures show a worrying slowdown in workload growth for housebuilders, particularly for social housing.

“Instead of setting more targets they don't meet, Ministers should back Labour's long-term plan for housing by investing to build the homes the country needs.”
