

Three useful tools to help students prepare for HKDSE Examination results release day

To assist Secondary Six graduates to prepare for the release of the Hong Kong Diploma of Secondary Education (HKDSE) Examination results on July 22, the Education Bureau (EDB) has produced the "Three useful tools for the release of the HKDSE Examination results", namely e-Navigator, Further Studies and Career Map, and Compass@HKDSE. These tools, uploaded to the EDB website today (June 5), allow graduates, parents and schools to obtain useful information in a timely manner.

Graduates, parents and schools can use the e-Navigator to search for programme information across different levels, including degrees, sub-degrees and the Diploma Yi Jin. The Further Studies and Career Map provides a checklist of multiple pathways and key dates for course registration which reminds graduates to take necessary actions accordingly. The Compass@HKDSE provides graduates with essential information to make better preparation for the release of the HKDSE Examination results. It includes information on further studies, multiple pathways and various supporting services.

A spokesman for the EDB said, "The broad and balanced senior secondary curriculum provides diversified choices to cater for students' different interests, abilities and needs. It promotes whole-person development, stretches students' potential fully and equips them with lifelong learning capabilities by the time of graduation. We hope that all graduates will make good use of the 'Three useful tools', together with the flexible and diversified study and career pathways with multiple entry and exit points under the New Academic Structure, to choose their right directions according to their interests, needs and aptitudes, so as to develop their full potential and realise their aspirations."

The EDB will continue to maintain close communication and collaboration with schools and other stakeholders to help students plan for their future. For the date of release of the HKDSE Examination results, schools are advised to refer to the latest announcements on the Hong Kong Examinations and Assessment Authority website (www.hkeaa.edu.hk/en/).

The "Three useful tools" are available on the 2020 HKDSE Examination Results Release Designated Webpage (www.edb.gov.hk/s6/en), which also provides other latest information about multiple pathways.
