

Transparency data: Liverpool Harbour Revision Order

Updated: Documents added

On 1 August 2018, Mersey Docks and Harbour Company (MDHC) made a formal application to the Marine Management Organisation (MMO) under section 14 of the Harbours Act 1964 for a Harbour Revision Order (HRO) in respect of works to be undertaken within the limits of the Port by Liverpool City Council.

The Order would authorise the construction and maintenance of works and other facilities at the Port within the limits of deviation shown on the associated plans. The works comprise the construction of a reinforced concrete suspended deck, a cruise liner terminal building, a vehicular and pedestrian linkspan bridge, a new floating pontoon and two steel mono pile mooring dolphins.

The Order would also authorise the demolition of the existing timber and concrete decked jetty known as Princes Jetty, as well as modifications to the existing landing stage.

The application is undergoing a 42 day public consultation, starting on 10 August 2018. The deadline for submitting comments is 21 September 2018. For further information on the consultation process, please review the advertisement notice.

Due to file size constraints not all documents have been uploaded to the public register. Documents not included on the public register are detailed within the 'Public Register Documents list' included above. If you wish to be provided with any of these documents please contact the harbour orders team via the harbourorders@marinemanagement.org.uk inbox.

If you would like to make a representation please do so in writing via the harbourorders@marinemanagement.org.uk inbox. Representations should quote reference DC10147.
