

Transparency data: Port of Barrow operations and maintenance facility

Information about the EIA screening and scoping for the Port of Barrow proposed west coast operations and maintenance facility.

The applicant notified the MMO in accordance with paragraph 3 of Schedule 3 of the Harbours Act 1964 of their intention to submit a harbour revision order to construct a 'west coast operations and maintenance (O&M) facility' at the Port of Barrow to support three offshore windfarms.

This is the pre-application stage, no formal application has been made for a harbour revision order.
