

Transparency data: Radioactive Waste Management (RWM) – our publication scheme

Our [publication scheme's](#) purpose is to make Radioactive Waste Management's information available to the public as part of our normal business activities, in a transparent way. The information covered is:

- Who we are and what we do
- What we spend and how we spend it
- What our priorities are and how we are doing
- How we make decisions
- Our policies and procedures
- Lists and registers
- The services we offer

How we do this is set out [here](#).
