

# Turkey applications for 2021/22 Chevening Scholarships are open

Chevening is the UK government's international awards programme aimed at developing global leaders.

Funded by the The Foreign, Commonwealth and Development Office (FCDO) and partner organisations, Chevening offers two types of award – Chevening Scholarships and Chevening [Fellowships](#) – the recipients of which are personally selected by British embassies and High Commissions throughout the world.

Chevening offers a unique opportunity for future leaders, influencers, and decision-makers from all over the world.

Chevening provides fully-funded scholarships, leaving you free to focus on achieving your academic goals and enjoying the experience of a lifetime. You will live and study in the UK for a year, during which time you will develop professionally and academically, grow your network, experience UK culture, and build lasting positive relationships with the UK.

Applicants from Turkey can choose any course of study at any UK higher education institution.
