

Turning disability into creativity

With the support of the Social Welfare Department's Arts Development Fund for Persons with Disabilities, artists with disabilities are able to explore their potential and develop careers in performing, visual or creative arts.

News.gov.hk spoke to two non-governmental organisations to learn more about how the fund helps people with disabilities to unleash their creativity in ceramics and wheelchair dancing.

The story is available at www.news.gov.hk/eng/feature today (October 31) in text and video format.
