

Two WFSFAA staff members test preliminarily positive for COVID-19

The Working Family and Student Financial Assistance Agency (WFSFAA) today (February 10) said that two Clerical Assistants of the Student Finance Office have tested preliminarily positive for COVID-19.

The two staff members work on the 12th floor of Cheung Sha Wan Government Offices and the fifth floor of Trade and Industry Tower, and last went to work on January 31 and February 4 respectively. They had no contact with the public in their daily work. They had been wearing masks at work and followed relevant disease prevention measures. The WFSFAA has arranged thorough cleaning and disinfection at the premises concerned and is maintaining close liaison with the Centre for Health Protection of the Department of Health in taking appropriate follow-up action.

The WFSFAA will continue to strictly implement various disease prevention measures. Staff members are reminded to pay attention to personal hygiene and stay vigilant at all times. They should seek medical advice immediately and inform the WFSFAA if they feel unwell.
